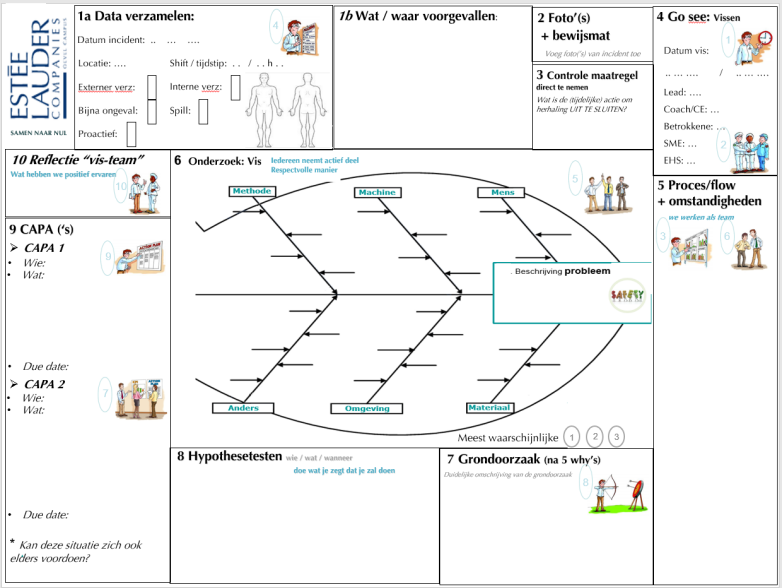
Problem Solving

"Fishing"

Prestige PERFORMANCE SYSTEM
POWERING POSSIBILITIES TOGETHER

Concept “Fishing”



Goal:

- Empower workforce
- Learn, develop and unleash your full potential
- Building culture of:
  - Continuous improvement
  - Problem solving

How:

- Operate to standard: process and tool
  - One team approach
  - On the spot where it happened (GO SEE)
  - Creating a safe environment
  - Respect for every streetcorner (inclusion)
  - Focus on “where did the process fail”
  - Integrated in POS

WHO:

- Certified facilitator
- Involving the right people (person involved – SME – QA – EHS - …)

When

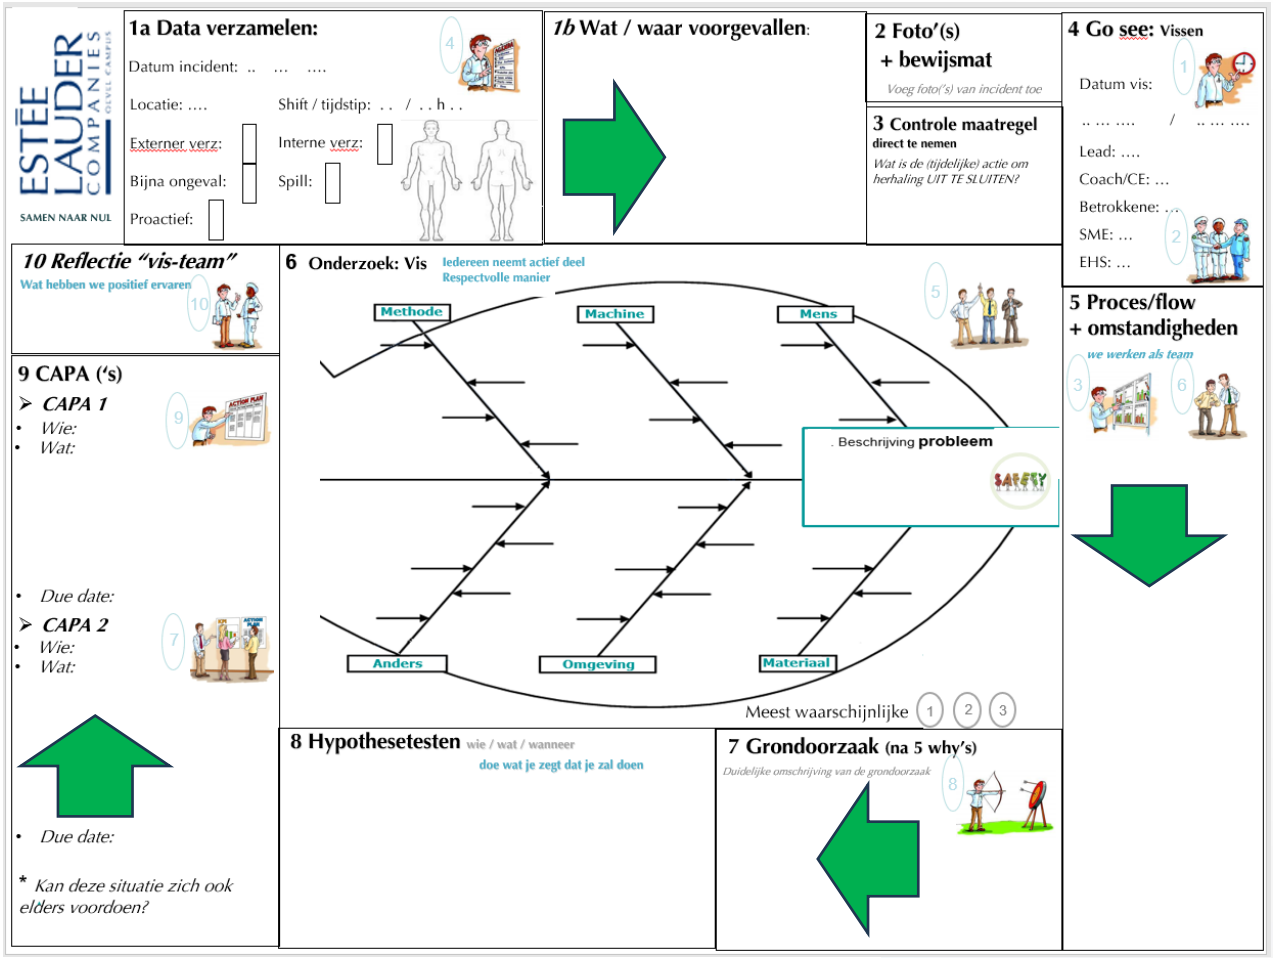
- Standard (fixed) timeslots (of 1h)
- ASAP finding the smoking gun

Result:

- Win or learn
- Consensus on root cause
- Ownership of CAPA’s
- Focus on “What can I do”

Prestige PERFORMANCE SYSTEM
POWERING POSSIBILITIES TOGETHER

Process / Tool



1. Schedule "the fish" in a standard timeslot
2. Invite the right people
3. "Fish" on the spot where it happened
   GO SEE / do not jump into conclusions
4. Follow the flow of "the fish" (steps 1 – 10)
5. Follow up the CAPA's
6. Celebrate / POS

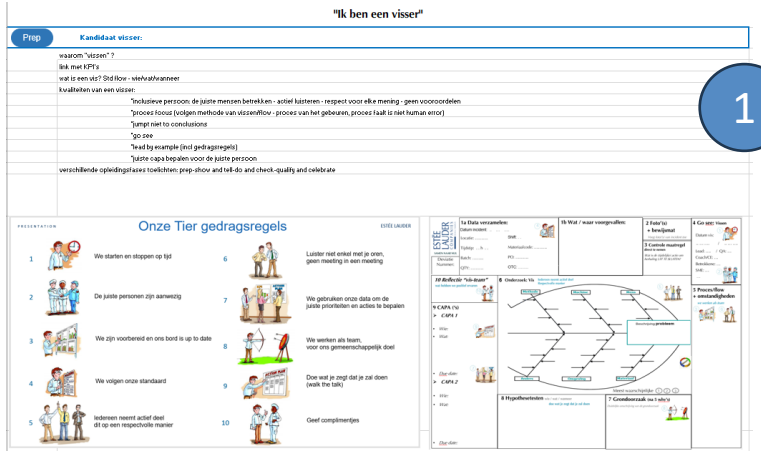
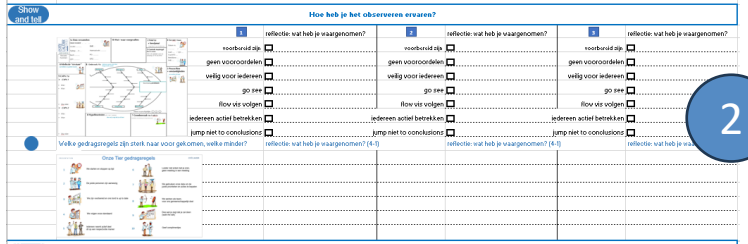
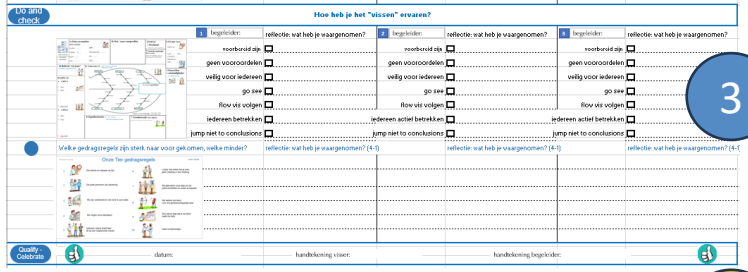
To become a certified “Fisher”



1



2



3

4

1. Prep
   - Why
   - Link with KPI’s
   - HOW
   - Skills of a “fisher”
2. Show and tell
   - Teacher: Lead by example
   - Learner: observes/evaluates “the teacher”
   - Reflect: 1o1
3. Do and check
   - Learner: Just do it
   - Teacher coaching/mentor of “the learner”
   - Reflect: 1o1 / 1 tool – 1 document
4. Qualify - celebrate
